

DUTCHESS COUNTY PISTOL ASSOCIATION

Practical Action

Meets Tuesday Nights
6:00pm to 8:30pm
Range 2

If you like to shoot a pistol and if you would like to learn to become more competent with the handgun in a PRACTICAL manner, then come out and join DCPA's **Practical Action** shoots.

These shoots approximate as closely as possible the scenarios used in USPSA shooting activities here at DCPA as well as other clubs.

Since scoring is based on a combination of accuracy and time, at PAL we strive for improved accuracy and increased speed.

Shooters participating in this event are beginners, law enforcement, military, weekend shooters, and professional competitors.

It is a great opportunity to sharpen your skills, learn from other shooters and be a part of a fast-growing international sport.

Practical Action meets on Tuesday nights on Range 2.
We start at 6:00pm and end around 8:30pm.
