

DCPA **PCC**
Pistol Caliber Carbine League

We invite you to join us for an evening of organized but informal PCC shooting. This league is not competition based and no scores are kept. There is no commitment other than Safety and having some Fun!

What is a PCC?

Pistol Caliber Carbine (PCC) refers to any short barreled rifle chambered in a pistol caliber cartridge.

What to expect

Shooters will shoot simultaneously from the same line.

Target locations, type and target change/repair will be at the discretion of the RSO in charge.
